Vanity Fair's fashion director reflects on a few of her favorite things.

Mother's Day Gift Guide—7 Extra-Special Presents for Mom

Mother's Day—a day that exclusively celebrates women and the greatest gift that one could possibly receive: life. Though we valiantly try, no gift can measure up to the precious one mothers have bestowed upon us . . . well besides diamonds, of course. For this Mother's Day, I've selected some of the best gifts—at various price points—to show love and appreciation for the revered mother in your life.
